### What a Wheatless Day Means

USE no crackers, pastry, macaroni, breakfast food or other cereal food containing wheat, and use no wheat flour in any form except the small amount that may be needed for thickening of soups or gravies or for a binder in corn bread and other cereal

As to bread, if you bake it at home, use other cereals than wheat, and if you buy it, buy only war bread.

TODAY IS WHEATLESS DAY. BE A PATRIOT AND OBSERVE IT.

Rabbit meat can be used in almost any way that other meat is used, although it is a trifle soft. Although it is not commonly done, there is no reason why you could not take cold rabbit meat and make a rabbit loaf. Here is a recipe you might try: Chop one pound of the cold cooked rabbit and work into it a half teaspoonful each of sait, pepper and saiton juice. Then mix with this a half despondiul each of sait, pepper and saiton juice. Then mix with this a half despondiul each of sait, pepper and saiton juice. Then moisten with us-half curful of stock. A PHASIA is a form of loss of speech that results usually from a disease of the brain, in which, while the vocal apparatus remains intact, yet the memory of words and the power to use them is destroyed or impaired.

The most common cause of aphasia is injury to the brain from apoplexy. The portion of the brain supposed to be injured in these cases is a part called the "island of Reil," on the left side of the brain from the fact that in nearly all cases in which aphasia results from injury to the brain examinations after death have shown the injury to be on the left side. This is not always found to be the case, however, and it is probably true that both sides of the brain growth that the brain possess this faculty, but that from
